General guide to NMMU

Message from the how2@nmmu orientation team

Dear new Madibaz

Welcome to Nelson Mandela Metropolitan University (NMMU).

Coming to university for the first time is often an exciting, life-changing experience. However, it can also be challenging and stressful. The transition often involves major changes, from leaving friends and family for the first time, coming to grips with a new course and independent study, to new ways of doing things and new expectations.

It is normal to experience some difficulties while adjusting to your new life at university. Our goal is to get you off to a good start in adjusting successfully to the demands of higher education.

We have spent a great deal of time preparing for your arrival. The orientation programme for first years is called How2@nmmu: how2 do things at NMMU, how2 succeed at university, and so on. We have academic, wellness, career, social, cultural and sports events planned for you – some to help you understand how to study and learn in a university setting, and some just to have fun and meet new people. This is an important kick-off for you and it is compulsory to attend all Academic Orientation events, some of the Wellness events and the Byways to Highways (societies expo).

Your How2 orientation leader (How2 buddy), a senior student doing the same course as you, will guide you through a programme of academic orientation prepared by the Student Counselling department. You will meet your lecturers and fellow students studying the same course. The buddies will be easily identifiable by their blue T-shirts and willing and ready to answer any questions you may have. It is our aim to ensure that you have a positive experience during your orientation.

Shereene and Sisanda

The programme is only the start of activities designed to assist you in adjusting successfully to university. Your How2 orientation leader will “buddy” you for the first term to support you in the challenges you may face along the way.

Attending orientation will give you a head start in meeting new friends and staff and becoming familiar with what is expected of you. Research has shown that students who attend orientation adjust with far greater ease and have a better chance of success. If you miss orientation, you will be at a distinct disadvantage!

See you there!

Shereene Knipp, Sisanda Nkoso

Message from the Vice-Chancellor

Welcome to Nelson Mandela Metropolitan University (NMMU). On behalf of all our staff and students, it gives me great pleasure to invite you to become part of the university community. By registering at NMMU, you are joining the ranks of one of South Africa's most vibrant, exciting and creative higher education institutions. At NMMU, we place great premium on excellence, innovation and service to the public to promote a more equal, fairer and democratic social order in South Africa, the wider African continent and world.

The core purpose of a university is knowledge production and its use to make a difference in society. We want our students and our scholars to use this knowledge for the promotion of public good, social justice, equality and dignity in a world that has become increasingly unequal and fragmented. Globalization, massive and ongoing changes in science and technology have created vast new opportunities for human progress, but it has also been accompanied by growing levels of inequality across the world today. We hope our students will use the opportunity of studying at our university to acquire the richest possible educational experience – one that is both technically rigorous and socially compassionate – to create a world in which the fruits of these changes can be brought to the benefit of all citizens in our respective countries. At NMMU, we promote and celebrate original thinking, critical reflection and the search for ideas that can change the world for the better of all its inhabitants. We hope you will take full advantage of this unique opportunity in your life to rise to the best that lies within you.

NMMU offers a rich and diverse spectrum of academic programmes organised into seven faculties spread across our six campuses in Port Elizabeth and George. Here, you will find some of the best and most dedicated staff members who will be more than willing to assist and guide you in your journey from first to final year of study. Our aim is to foster a student-centred learning experience and we encourage you to take full advantage of the many opportunities available at NMMU.

Naturally, your primary mission is to study with the purpose of fulfilling all the requirements for conferring a qualification at the end of your period

of study. Towards this end, the university offers a wide range of learning resources – modern library facilities, online computer networks with vast databases, enrichment and remedial support programmes, student counselling services, tutoring and advisory services. We would encourage you to make full use of these services, ensuring you have optimal support in pursuit of your academic responsibilities.

At the same time, your life as a student also extends beyond the classroom context, and university life seeks to assist you in developing all dimensions of human experience, including sports, recreational, cultural and aesthetic interests. There are many clubs and societies, as well as the Student Representative Council (SRC) and affiliated organisations, and we strongly encourage you to participate in these bodies with the view of developing and stimulating all your faculties.

Above all, enjoy the adventure ahead, make the best of it, and I sincerely hope to see you some day at Graduation. All the very best!

Professor Derrick Swartz
Vice-Chancellor

Glossary

Getting to grips with university jargon

As you start university, so you will be confronted with a whole new vocabulary – words like semester, DP and VC. To make things easier, we have compiled a glossary of terms to help you understand what is happening around you.

For a more comprehensive list please go to *Information* and *Tools* on the student portal.

APS	Admission Point Score – points allocated to your school subjects for admission to tertiary institutions
BA	Bachelor of Arts degree
BCom	Bachelor of Commerce degree
BSc	Bachelor of Science degree
BTech	Bachelor of Technology degree
Credit	The recognition obtained when a student passes examinations or tests to comply with conditions needed for completion of a qualification
Dean	Head of a faculty
DP	Duly performed certificate – some academic departments have minimum requirements for course work and class marks, before you are allowed to write the exam. If you have achieved these minimum requirements, you “get” a DP – usually indicated on a class list posted on a notice board before exams start
DVC	Deputy Vice-Chancellor – those who are second in charge; NMMU has a few of them
Faculty	A collection of schools and departments focusing on similar fields of study e.g. Faculty of Science
Faculty administrator	Assists with registration, cancellation of modules etc.
HOD	Head of Department – in charge of a specific academic department
MBA	Masters degree in business administration
Module	A self-contained unit of learning that forms part of the course
NSFAS	National Student Financial Aid Scheme, a loan scheme to enable students to borrow money for their studies
Orientation	A period that gives newcomers an opportunity to familiarise themselves with their new university
Postgraduate	What you become when you complete your degree and embark on further studies
Registrar	Responsible for student administration and institutional governance
RPL	Recognition of Prior Learning, the acknowledgement of the knowledge a student possesses as a result of prior learning
Senate	The body that governs academic policies and procedures in respect of teaching, learning, research and academic functions
Semester	First or second half of the academic year
SRC	Student Representative Council
Undergraduate	If you are doing your first degree, diploma or certificate
VC	Vice-Chancellor, the highest managerial position of a tertiary institution

NMMU in brief

NMMU, a new generation university whose students are nicknamed Madibaz, is named after the metropole which bears the name of one of the greatest men of the modern era, Nelson Mandela, popularly known as Madiba.

We'd like to think we share many of the former president's greatest attributes – integrity, honesty, leadership and a zeal for developing our great multicultural nation.

Our vision

To be a dynamic African university, recognised for its leadership in generating cutting-edge knowledge for a sustainable future.

You are one of over 25 000 students spread across six campuses, five of which are in Port Elizabeth and the other in George. We have seven faculties, tip-top facilities and offer a lifestyle that is the envy of many.

Our mission

To offer a diverse range of quality educational opportunities that will make a critical and constructive contribution to regional, national and global sustainability.

Reasons to be proud

We pride ourselves in:

- ▶ Being the only South African university situated in a nature reserve
- ▶ Having internationally-recognised quality programmes
- ▶ Offering academic support programmes along with free personal, career and academic assessment
- ▶ Having renowned partnerships with local, national and international companies and other universities
- ▶ Being multicultural, with 10% of our student body from outside South Africa
- ▶ Producing graduates who are sought after globally

Our values

Respect for diversity
Excellence
Ubuntu
Integrity
Respect for the natural environment
Taking responsibility

Our enthusiasm at NMMU lies in laying the groundwork for life-long learning, by providing you with a first-class education. NMMU wants to help you reach your full potential and assist you in making your dreams and aspirations become a reality.

Orientation at a glance

Your academic year starts with **ORIENTATION**. Attendance is compulsory. It will kick off with the Welcoming Ceremony and Faculty Meet & Greet on Saturday 26 January 2013 and end with the last orientation session for this initial phase on Saturday 9 February. Lectures commence on 11 February. The Orientation Academic Sessions as well as Byways to Highways will take place during the first week of lectures. The Campus Life Festival will take place two weeks later on the last Saturday in February.

First year registration takes place from Monday 28 January to Wednesday 30 January (see separate registration guide for your registration date). The orientation programme runs from 31 January to Friday 8 February and will extend into your first week of lectures. Thereafter, you will be “buddied” by your How2 buddy for the first term.

Some faculties will kick off with the Nelson Mandela Champion Within Programme, some with Bursaries and Budgets and some with Meeting your Lecturers.

On the day of your How2@nmmu Programme, you will be placed in a How2 group with a How2 buddy who will take you through a specially-designed programme of adjustment to university – have fun! Your buddy will also support you throughout the first term.

Failure to arrive timeously may prevent you from gaining the maximum benefit of orientation in preparing you for your studies.

But that's not all we have for you...

The following section provides a summary of all events held during orientation. Please note that academic events are compulsory for all students. The wellness, career, social and cultural events provide an ideal opportunity to meet fellow students, make friends and find out more about university life and are, therefore, highly recommended.

Academic events (all compulsory)	Social, cultural and sports events (highly recommended)
<p>Welcoming ceremony Faculty meet and greet Meet your lecturers Student-staff fun event How2@nmmu buddy programme Maths refresher (for all BSc and BSc Mechatronics students) Computer lab orientation Academic sessions:</p> <ul style="list-style-type: none"> o Note-taking o Referencing & plagiarism (at elementary level; merely awareness raising) o How to get the most out of lectures o Lecture and email etiquette o Portfolio development (for career) 	<p>Byways to Highways (societies expo - this event is compulsory) City bus tour First Year picnic Campus Life Festival (end of February):</p> <ul style="list-style-type: none"> o Societies expo o Sports programme o First-year social o Campus Life concert (show off your talents!)
Wellness events (highly recommended)	
<p>Rock 'n Roll & Bulgies Budgets and bursaries</p>	

Description of events

Academic events

WELCOMING CEREMONY

On this day, new students and their parents are welcomed by the Vice-Chancellor (VC) Professor Derrick Swartz. The VC is the Principal or Chief Executive Officer of the university. Please take note of the venue where your faculty will meet, firstly for the welcoming ceremony and secondly, for the faculty meet and greet that follows, where refreshments will be served.

FACULTY MEET AND GREET

After the VC's welcoming address, students and parents move off to the faculty meet and greet. Carefully check the venue where your faculty will meet. Here you will be welcomed by the Dean of the faculty and be given an opportunity to meet your lecturers, who will provide you with information about your programme (course of study).

Parents are encouraged to attend these events, which offer great insight in terms of academic expectations and, in particular, registration.

NB: Each student enrolls in a specific faculty. You need to check in which faculty your programme (course of study) falls.

MEET YOUR LECTURERS

Here, you will be addressed by the Head of Department or School (or Head of Academic Programme) in which you will be studying (faculties

are divided into various schools or departments). You will also be addressed by your lecturers and informed about the textbooks required, what the course entails, course requirements, career options available and so on. An overview of the programme for your 'Meet your lecturers' meeting appears under your faculty section in this guide.

HOW2@NMMU BUDDY PROGRAMME

On the day of your How2@nmmu programme, you'll be divided into small groups of first year students doing the same course. Your group will be led by a senior student, called your How2 buddy. Your buddy will take you through a programme of academic orientation organised by the orientation staff at Student Counselling. You will learn how2 make a success of your stay at NMMU by finding out about:

- ▶ adjusting to university life successfully
- ▶ resources to help with you with finances, career decisions, health, and workshops to help you with study skills, managing your workload, etc.
- ▶ university terminology (all those acronyms!)
- ▶ your new campus - you will be given a tour of the campus to orientate yourself, so you don't miss your first lecture!
- ▶ using the library - this is a must for academic success
- ▶ how to log onto your e-mail, using the student portal and finding your notes online

- ▶ your timetable
- ▶ challenges you may face in your course and how to overcome them

Your How2 buddy will “buddy” you for the first term, helping you adjust to life at university. You will meet informally once every fortnight over lunch or coffee to chat about your concerns and challenges. Your How2 buddy will also be available to you via e-mail, Facebook, and BBM or MXit to find out how you are doing, and to support you in any way.

STUDENT - STAFF FUN EVENT

At this event, you will have some fun with your lecturers and get to know them better – and find consulting with them about your studies not such a daunting task. It will also help you develop a sense of belonging. For most faculties, this will follow immediately after your ‘Meet your lecturers’ meeting (check your timetable for when this event will take place).

NOTE-TAKING SESSIONS*

In these sessions, you will learn how to take notes successfully in class (when you get home, you make notes and summaries of the lecture). If you think you are going to remember everything the lecturer said, you are making a mistake! Lecturers give important explanations of complex concepts and processes – you need to take notes in the lecture but you cannot write down every word the lecturer says. This session will help you to be better prepared to take accurate notes from day 1.

REFERENCING AND PLAGIARISM*

When you write assignments and essays at university, you have to acknowledge where you get your information from – you have to say whose ideas you are using. Taking other people’s work and pretending that it is your own is called plagiarism – and is a serious offence! In this session, you will receive some more information in this regard.

HOW TO GET THE MOST OUT OF LECTURES*

It is not enough to simply get the notes “off the net”. You have to attend the lecture! But merely sitting there like a zombie will not help you much either. This is a wonderful session to help you make the lecture work for you! It is vital to your success at university.

LECTURE AND EMAIL ETIQUETTE*

There is a required protocol for lecture behaviour and writing e-mails to staff. A huge part of receiving a higher education is to develop yourself holistically. Learning about etiquette is an important part of this development. Having good lecture etiquette will make your life and those of your lecturer and classmates better. Being considerate will assist everyone in their path to success.

Remember: It is important to consult with your lecturers to get clarity on assignments, to gain a clearer understanding of the content and requirements of the course, and also to develop your intellectual ability. Lecturers have consultation hours, usually posted on their office doors. They want you to do well. Do not hesitate to make an appointment, and have your questions ready. Your buddy will tell you more.

CAREER PORTFOLIO DEVELOPMENT

Here you will be shown the importance of developing your career portfolio, and how to start developing it. Just obtaining a qualification is not enough – you need to develop yourself holistically, and become a well-rounded student. You can do this by joining one of the many societies or leadership programmes on the campus, and/or finding a part-time job. The need to develop your personal, social and academic skills has become imperative (these skills are what employers are looking for – they are interested in a good qualification and the aforementioned skills). It is important that you start early on in your university career. Waiting until your final year, just before your first big job interview, is too late!

MATHS REFRESHER

(for BSc and BEng Mechatronics students only)
Given the challenges of the new school curriculum, the Maths Refresher will provide you with a good start to the maths module in these courses, refreshing matric maths and bridging the gap between high school maths and first year university maths.

*NOTE: The sessions marked with * will be offered during lectures at the lecturers’ discretion.*

Social, cultural and sport events

BYWAYS TO HIGHWAYS

Take the highway to academic success – but travel a byway or two on your way there! No, taking byways in this case does not mean taking the long road or getting lost! The byways are the roads you travel to gain personal and leadership skills which feed into your highway to success.

Your How2 buddy will take you to the Byways to Highways societies fair - this is where all the societies and clubs have stalls showcasing their activities. Come and enjoy this fun and festive event, taking place along the main walkways of each campus. The value of your out-of-classroom experience should not be underestimated – join a society or club of your choice to enhance your university experience and start building your soft skills, imperative requirements for work in the 21st century! Come on, don't be a PCP student (parking lot – classroom – parking lot)! Get involved!

CITY BUS TOUR

For all out-of-towners! Get a grand tour of Port Elizabeth, the friendly city. See the sights, the beautiful beaches, the shopping malls, and the highways and byways of PE.

FIRST YEAR PICNIC

Join the SRC as they take you on a picnic – free for

all first year students. Get to socialize with other first years and meet your SRC.

CAMPUS LIFE FESTIVAL (last Saturday in February)

This festival consists of a series of events: Campus Life concert, Rag, Societies and Clubs Expo, sports programme and the first-year social.

CAMPUS LIFE CONCERT

What good is sitting alone in your room? Come hear the music play!

Most of you are probably too young to know this song by Liza Minnelli. Nevertheless, come and showcase your talent! Can you sing, dance, play a musical instrument, recite poetry or perform magic? The Campus Life concert is a huge event. If you are just going to watch, be there early as this event is jam-packed!

SOCIETIES AND CLUBS EXPO

Another chance to shop for a society or club to join! Come to the Vodacom Indoor Sports Centre at South Campus on the last Saturday in February and view the wide array of societies and clubs on offer. There is something for everyone and loads of entertainment too. Join in the fun!

SPORTS PROGRAMME

Immediately following the societies and clubs Expo are the dance formations by the residences, held at NMMU Stadium, South Campus. Witness the

precision of the formations. Following the inter-res sports programme is a rugby match – NMMU versus an opposition university. Come and show support for your team!

FIRST-YEAR SOCIAL

At the end of this day, join the party at the first year social. Relax and let your hair down.

Wellness events

ROCK 'N ROLL AND BULGES

Sounds interesting? You bet! Come and hear more...

YOUR MOVES IN COMPUTER LABS

When your buddy takes you to a computer lab to show you how to log onto your e-mail, how to use the student portal and how to find your module notes online, you will also play a game called Your Moves to assist you in improving your decision-making skills.

BURSARIES AND BUDGETS

The team from the Financial Aid Office will share important information about bursaries and scholarships available to you. They will also help you with ideas on how to budget well. Some students receive bursaries and, for many, being away from home means running their own budgets for the first time – this can be disastrous in terms of misspending and running out of money. It could mean the difference between leaving university prematurely and graduating successfully.

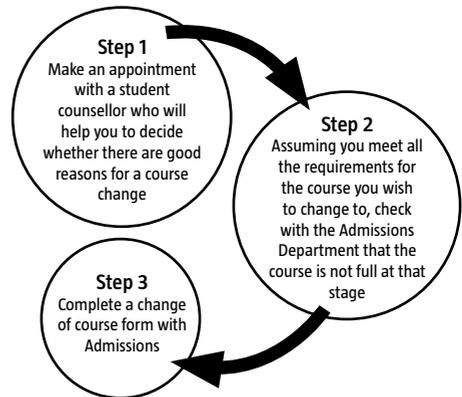

Looking ahead

HOMESICKNESS & LONELINESS WORKSHOPS

Are you missing Mama's food, your friends, the cat and the dog? Seriously, missing home and being lonely when you leave home for the first time is very real and not a good feeling. One misses one's culture and the comforts of home and having one's family and old friends close. You are not alone. So come join others and let our team help you deal with this.

These workshops will be offered later in the term. Enrol at Student Counselling on your campus.

THINKING OF CHANGING YOUR COURSE?

Important information for Computer Modules

PROGRAMMING FUNDAMENTALS (WRA101)

Lecturer: Prof Jean Greyling (Embizweni Building, room 090211)

Textbook: Visual C#.NET by Joyce Farrell (make sure you get the correct author).

First lectures: Monday, 11 February, 13:00 and sday, 14 February, 09:15

Practicals: Tuesday or Wednesday, 13:45-15:05

COMPUTING FUNDAMENTALS (WRFC101)

Lecturer: Mrs Marinda Taljaard (Embizweni Building, room 090229)

Textbook: Parsons, JJ & Oja, D et al. 2011. NMMU Computing Fundamentals. 2nd edition. ISBN: 978-1-4080-3982-3. Course Technology, Engage Learning: United States of America.

First Lectures: Week of 11 February

First Lessons and Applications: Week of 18 February

SCHEDULING OF LECTURES AND PRACTICALS INTO PERSONAL TIMETABLE

South Campus students:

Collect coloured scheduling form at first lecture and bring to labs from Wednesday to Friday during first week of lectures to choose lecture and practical sessions and collect study guide.

APPLICATION FOR EXEMPTION

South Campus students:

If you have been successful in prior learning opportunities in Computer Science – Computing and/or Programming Fundamentals – **you may apply to write a competency test(s)**. Submit applications to Ms Carol van Onselen (in Embizweni Room 0214 – Tel: +27 41 504 2530) – closing date: **Friday, 15 February 2013**. There is an administrative cost involved and an exemption fee. Please note, you must still register for the module(s) in the Vodacom Indoor Sports Centre from **Monday 28 January to Wednesday 30 January 2013**.

Missionvale Campus students:

If you have been successful in prior learning opportunities in Computer Science – Computing and/or Programming Fundamentals – **you may apply to write a competency test(s)**. Submit applications to Ms Carol van Onselen (in Embizweni Room 0214 – Tel: +27 41 504 2530) – closing date: **Friday, 15 February 2013**. There is an administrative cost involved and an exemption fee. Note that you must still register for the module(s) in the Yebo Gogo Sports Centre from **Monday 28 to Wednesday 30 January 2013**.

Faculties at NMMU

In which faculty are you studying?

Faculties appear in alphabetical order as follows:

- ▶ Arts
- ▶ Business and Economic Sciences
- ▶ Education
- ▶ Engineering, the Built Environment and Information Technology
- ▶ Health Sciences
- ▶ Law
- ▶ Science

1. Find the course / programme to which you have been admitted.
2. Take note of the faculty within which your course / programme is offered.
3. Take note of the campus on which your course / programme will run (some faculties are split across campuses).

It is important that you attend the welcoming ceremony scheduled for your faculty.

Caring for you

What we can do for you

Accommodation

On-campus accommodation

You have chosen to live in well-resourced, professionally staffed, homely accommodation located on a premier site next to the sea. Here you will meet students from a variety of backgrounds and you will be challenged intellectually, culturally and in the sports arena. Expect to learn a variety of new and exciting skills which will enhance your personal development. Our university residences are a haven for hardworking, diligent, creative and progressive young people. For any queries concerning fees, catering and other concerns, please contact a residence administrator. Please note that Student Villages do not accommodate first year students.

STUDENT HOUSING

Arts and Culture

South Campus:	041 504 2508
North Campus:	041 504 9995
Missionvale Campus:	041 504 1234
George Campus:	044 801 5029

Arts and Culture is a vibrant unit that makes a substantial contribution to the enhancement of your university experience, contributing to your holistic development and enrichment of campus life. The department provides you with the opportunity to express your talents by joining a wide range of interactive, cultural and active societies. These societies are diverse and include performing arts, dancing, music, drama and choirs.

Campus Health Service

South Campus:	041 504 2174
North Campus:	041 504 3364
George Campus:	044 801 5062
Missionvale Campus:	041 504 1374
Second Avenue Campus:	041 504 3762

Medical assistance is available on your campus. When you are not feeling well or are in need of information about any health-related issue, visit the various health services. A comprehensive primary health care service is available on every NMMU campus. Various free services are available e.g. HIV testing & treatment, contraceptives, etc. A minimal fee is charged for some of the services, including the services of the medical doctor. All services are provided by registered health care professionals. Please phone the numbers above to make an appointment to consult us with any problem.

NMMU Contact Centre

041 504 1111

This one-stop information hub will handle enquiries on study programmes, admissions processes, registration, financial aid, residence applications, access assessment, testing results, student orientation, student records, sport facilities and the like.

Financial Aid

The Financial Aid office is there to assist students financially. Not all students qualify for assistance and financial aid is granted on the basis of certain financial and academic criteria. If you would like to apply for financial aid, please visit one of the following offices:

FINANCIAL AID OFFICES

Campus	Office	Telephone
North	New Admin Building	041 504 3182
Missionvale	Building G38	041 504 1242
George	Finance Office	044 801 5098/5563

Do you know about our Scholar Merit scheme?

Scholar merit is an automatic award. It is based on your final Matric or National Senior Certificate results and is calculated according to a point system. For enquiries please phone the Financial Aid offices or visit our university website (www.nmmu.ac.za) for further information pertaining to bursaries and our student merit awards.

Questions about your student fees or account?

If you are not sure of the financial status of your student account, please visit the Student Fees Accounts department. Make sure you have checked the due dates for payment of accounts and cancellation of modules.

How does not paying your account affect you?

- ▶ You may not be allowed to re-register
- ▶ Your exam results / diploma / degree may be withheld
- ▶ Your account may be referred to external debt collectors with costs
- ▶ You may be evicted from residence.

Financial planning

Ensure that you have sufficient money on arrival as your bursary might not cover certain expenses such as food, transport and rent. You must have cash for services like printing and photocopying throughout the year. Please read all documentation sent to you by the Financial Aid office. If you are unsure about anything, please contact them. It is important to come prepared.

Graduate Placement and Co-operative Education

The following offices operate on all campuses to assist with the placement of students for:

- ▶ Permanent employment (for graduates)
- ▶ Experiential learning
- ▶ Service learning
- ▶ Internships and learnerships
- ▶ Internal student assistant positions
- ▶ Ad Hoc placements

Offices	Contact person
South Campus, lower ground floor, building 10, Graduate and Student Placement	041 - 504 2951

HIV/AIDS Unit

NMMU South Campus

Director: Dr Jill von der Marwitz 041 504 2958

Admin assistant: Anri van der Merwe 041 504 2876

The unit strives to be recognised for its leadership role in driving a sustainable comprehensive response to mitigate the health and socio-economic impact of HIV/Aids on students, staff and the broader community through governance, teaching and learning, research, community engagement and service provision.

Programmes developed, supported or facilitated by the unit are informed by evidence-based research and have a comprehensive approach encompassing the domains of prevention, treatment, care and support.

Local and international students are encouraged to enquire about and become involved in the various programmes that the unit facilitates, supports, monitors and evaluates.

Library and Information Services

South Campus:	041 504 2281
North Campus:	041 504 3410
George Campus:	044 801 5004
Second Avenue Campus:	041 504 3851
Missionvale Campus:	041 504 1269
Bird Street Campus:	041 504 2044

NMMU has six libraries, five of which are situated on the Port Elizabeth campuses, and one of which is situated on the George campus (Saasveld).

All registered students and staff at NMMU are entitled to free membership of the Library and Information Services (LIS). Students must present their student cards annually at the circulation desk to register as library patrons.

Registered library patrons have access to the following services at all libraries:

- ▶ Short loan collection of books, articles and class notes that are in high demand
- ▶ Study collection with multiple copies of prescribed textbooks
- ▶ Inter-branch loans of library material between the different campus libraries
- ▶ Computer work stations for accessing Online Library Catalogue, full-text electronic databases and online journals
- ▶ Assistance with and training in finding information for assignments and research
- ▶ Self-service photocopyers/printers and areas for reading, studying, viewing and listening

A range of Library and Information Services Guides, Posters and the Library Website provide further information about services, facilities and information resources.

Office for International Education

NMMU South Campus

Tel: 041 504 2161

E-mail: international@nmmu.ac.za

www.international.nmmu.ac.za

The NMMU Office for International Education (OIE) is situated on the South Campus. Our main objectives are to comprehensively internationalize the campus and to bring the benefits of internationalization to local students and the local community by establishing mutually beneficial partnerships with like-minded universities across the globe. All this is done to build global links for our university, add to NMMU's diversity and provide both our local and international students with the opportunity to extend their academic, research and social networks beyond borders.

The office comprehensively assists international students and visitors throughout their stay to ensure they feel welcome and looked after during their time spent at NMMU. In addition to this, the OIE provides study-abroad opportunities for South African second- to final-year students registered at NMMU.

The OIE thrives on building relationships and strongly objects to acts of xenophobia. We encourage all students to appreciate diversity, and for this reason we facilitate various fun food and cultural days such as Africa Day, Mauritian Day, Chinese Day and more at our on campus restaurant, Rendezvous.

Services offered by the OIE:

International student finance:

- ▶ Facilitates payment of fees, membership and accommodation
- ▶ Cheque requests

International student admissions:

- ▶ Provides documentation for visa renewal
- ▶ Liaises with faculty, residences and departments at NMMU on behalf of our international students/ guests
- ▶ Assists with student academic and wellness support

Engagement:

- ▶ Cultural functions and excursions
- ▶ Incoming short programmes
- ▶ Community service
- ▶ Research

Marketing:

- ▶ Recruitment of international students to NMMU programmes
- ▶ Promoting opportunities abroad for South African students
- ▶ Management of international partnerships and student mobility

International student orientation – please refer to this booklet and your enclosed programme

Peer Helping

North Campus:	041 504 3222
South Campus:	041 504 2511
Second Avenue Campus:	041 504 3854
Missionvale Campus:	041 504 1106

Peer helping is based on the fact that students often seek out their friends when they experience frustrations, concerns, or when they have to make decisions. The Peer Help Programme equips students to further develop and refine their natural helping skills. Students (peer helpers) are trained and supervised to provide listening, understanding and support to fellow students (their peers) – and to refer them to available resources. They are also provided with opportunities to put this training to practice by assisting other students in decision-making on matters such as life-style enhancement, career development and employability, as well as learning and academic skills. Peer helpers can also assist and empower students to deal with issues related to loneliness, problem relationships and health (such as HIV/Aids). The ultimate aim of peer helping is to assist students in creating beneficial living and learning environments, making their university life as meaningful and enjoyable as it is meant to be!

Postal Services

Mail items:

Mail items for students in residence will be accepted, sorted and delivered to the different residences.

Addresses for residences:

- Unitas – PBag 6054, Port Elizabeth, 6000
- Melodi – PBag 6057, Port Elizabeth, 6000
- Veritas – PBag 6053, Port Elizabeth, 6000
- Xanadu – PBag 6056, Port Elizabeth, 6000
- Post Grad Student Village – PO Box 1600, Port Elizabeth, 6000
- Oceana Residence – PO Box 13357, Humewood, 6013
- Sanlam Student Village – PBag X6011, Port Elizabeth, 6000
- Lebombo Residence – PBag X6011, Port Elizabeth, 6000
- Letaba Residence – PBag X6011, Port Elizabeth, 6000

Courier items:

Courier items or parcels addressed to students in the residences will be kept in safe custody. Notifications will be sent to the student by e-mail to inform the student where to collect the item. Proof of identification must be submitted upon receiving the item.

Post boxes at the SA Post Office post point on South Campus:

Students staying on or off campus can rent a post box from the SA Post Office on the South Campus to receive mail.

Sexual harassment

NMMU is firmly committed to providing an environment that fosters mutual respect and is free from all forms of discrimination and harassment, including sexual harassment. To this end a sexual harassment policy is in place that governs the prevention and resolution of sexual harassment, behaviour which is not tolerated by the university.

Any member of the NMMU community who experiences sexual harassment is encouraged to express his / her complaint without fear of prejudice. The allegation will be investigated and a decision taken on the most appropriate course of action. Strictest confidentiality will be maintained.

Where to go for help:

Sport

“Success in Sport, Success in Academics, Success in Life”

While the primary function of NMMU is academic, the value of the holistic development of students and the establishment of a culture of participation and competition is central to the institution’s focus on the well-being of students.

The sport bureau offers a wide variety of competitive and recreational sport programmes for students and staff, as well as for the wider university community. These provide all with the opportunity to participate in sport and recreation ranging from informal and social games for fun and enjoyment, to highly competitive leagues where skills are tested against the best in the province and country. In addition, through the various high performance programmes and academies of sport, NMMU plays a major role in the process of developing elite and potentially elite players.

Athletics	Golf	Rowing	Tennis
Athlons (tri-, bi-, du- and biathle)	Hockey	Shooting*	Underwater hockey
Basketball	Judo	Soccer	Volleyball

Who are we?

We are a team of professionally qualified and experienced student counsellors who are registered psychologists and educators. The team includes supervised national and international graduate interns-in-training. An active team of trained peer helpers is also there to listen to and support you.

What can we offer you?

A free, private, confidential, individual professional counselling service.

Numerous group programmes presented in collaboration with your lecturers, other staff and peer helpers and packaged in relation to:

- ▶ academic issues
- ▶ personal, social and emotional issues
- ▶ career choice and planning
- ▶ wellness
- ▶ orientation programme for new students
- ▶ a variety of self-help pamphlets, web-based materials, DVD's and videos.

Student Governance and Development

North Campus: 041 5043229
South Campus: 041 5043351
Second Avenue Campus: 041 504 3894
Missionvale Campus: 041 5041235
George Campus: 044 801 5029

This department contributes towards the holistic development of students. Its core functions are the training and development of student leadership, the coordination of student life and events and the support of student governance structures such as the Student Representative Council (SRC). All students are invited to join a society of their choice; the 76 societies are categorized as academic, religious, developmental, social responsibility and

BtC – Beyond the Classroom Leadership Development

The leadership training and development unit of Student Governance and Development (SGD) believes that all students (not just those who hold formal leadership positions) are potential leaders.

This unit offers workshops that assist in the development of creative, independent, community-minded students who will contribute towards a positive living and learning community and assist in the creation of a vibrant student life and experience at NMMU. Join the Beyond the Classroom (BtC) Leadership programme, which starts the first week of March. Be a part of the NMMU experience.

The University Shop corporate gift and clothing store

Sanlam Student Village (Main Store):

shop@nmmu.ac.za or 041 - 504 4371

Missionvale Student Centre: shopmv@nmmu.ac.za or 041 - 504 1369

George Student Centre: shopgeorge@nmmu.ac.za

The University Shop is a project of the NMMU Alumni Association and was established as a brand development tool. By wearing NMMU branded items, students, staff, alumni and friends can show their affinity and support for the institutional brand. Come and visit our one-stop shop for all your NMMU branded clothing, bags, folders and stationery. Our best sellers include: hoodies, backpacks, caps, golf shirts and t-shirts and pens.

Students with disabilities

NMMU South Campus: 041 504 2562

E-mail: ruth.barends@nmmu.ac.za

Embizweni, ground floor, office number 57

NMMU would like to ensure that students with disabilities do not experience any unfair discrimination due to their particular challenges. As a result, this office will strive to ensure that reasonable accommodation, reasonable adjustment concerning accessibility, examinations and other academic concessions are made to meet your needs. Services currently available include recording of study materials, special work areas in the libraries equipped with magnification software, and a vehicle to assist with specific transportation needs.

As every case needs to be individually assessed, please register your special needs with the university's Senior Disability Officer, Ms Ruth Barends, as soon as possible, preferably the year prior to registration and application. At your first appointment you will need to provide medical documentation from an appropriate professional. The goal of the consultations between students and the Disability Office is to identify the impact of disability on students and to maximise opportunities for your independent participation.

Writing centres

What we offer:

► Confidential, professional individual consultation sessions ► Workshop and information sessions for students ► A link to support organisations and networks relevant to your disability ► Training on specialised software

Please familiarise yourself with NMMU's policy on disability, copies of which are available at this office or on the portals. Bursaries for students with disabilities are available on an annual basis, upon application through the Financial Aid Office.

Supplemental Instruction

Faculties of Arts, Business and Economic Sciences, Education, Law and Science:

Celeste Barker: 041 504 2752

Faculties of EBEIT, Health Science and George Campus:

Liesl Smith: 041 504 2118

What is SI?

SI is a student academic assistance programme that increases student performance and retention. The SI facilitators are senior students themselves, who have successfully completed the course concerned. They offer regular, out-of-class, peer-facilitated sessions after attending the lectures. The programme is offered to all students in the selected courses, predominantly at first-year level.

Where is it offered?

SI is currently only available in selected courses on South, North, Second Ave and George campuses. Departmental notice boards and lecture announcements will tell you where to find your sessions. You can also find out more from 07 00 04/06 (M&P Building), South Campus.

North Campus - R108, 1st floor: 041 504 3653

South Campus - Room 12 Building 10, Lower Ground Floor: 041 504 2686 or 2052

Missionvale Campus - New ICT Building, Room 6: 041 504 1232

Second Avenue Campus - Library (upstairs): 041 504 3773

George Campus: Room 003, Mopani Building, Saasveld Road: 044 801 5105

Consultants in writing centres (WrCs) work together with you and your lecturers on the teaching and learning of aspects of writing, such as genres (kinds of writing), audience, purposes, structure, style and coherence.

We offer free consultations (individual/group, face-to-face/by email). You could also phone us for an appointment.

Visit the student portal and click on the WrC logo for resources and links. On the website at the bottom of the first page, click on 'Fill in the registration form' and upload, for example, your study guide, topic and draft ('best effort'), so that a WrC respondent could respond to your writing (orally/in writing) using global (overall) and local (specific) feedback.

WrCs are not a mere editing service. Instead, please find on our website a list of editors, who charge a fee to proofread your drafts (eg. surface language errors).

How to survive the 1st year

10 rules that you should follow to make the best of your time at varsity:

- 1** Go to all orientations including the campus tour.
 - 2** Get organised by buying an organiser, a big wall calendar, etc. to help you know when assignments are due.
 - 3** Go to class and don't skip the 07:45am lecture. You'll receive vital information about what to expect in tests, changes in due dates, etc.
 - 4** Seek a balance between social and academic life.
 - 5** Get involved on campus like joining a society and making plenty of friends.
 - 6** Take advantage of the study resources on campus like tutors (SI) or form study groups.
 - 7** Take responsibility for yourself and your actions.
 - 8** Make connections with students in your classes.
 - 9** Prioritise your life and stick to deadlines.
 - 10** Keep track of your money by creating a budget.
- 

What the students say!

What advice would you give someone starting at NMMU?

1. Get involved. The more you put in, the more you get out.
2. Keep a sense of humour. When you're lost, lonely or don't have a clue as to what your lecturer is rambling on about, smile because at least you're at university and you will have something to laugh about after you've graduated.
3. Keep your eye on the prize – and that should be your qualification.
4. Rely on your intuition. Your gut instinct will tell you if something is good or bad for you.
5. Ask. At varsity you're encouraged and expected to ask questions. Get used to doing it because it will help you for the rest of your life.
6. Maintain a balance. All work and no play, makes Jack, Frik or Thabo a dull boy.
7. Embrace diversity. Relish the opportunities of meeting students oh-so different to yourself.
8. Volunteer. Try something new. Offer your help. You'll be amazed by what you learn and who you meet.
9. Be responsible. For every action there's a consequence.
10. Eat, drink and be merry – in moderation. You want to remember the good times, don't you?

"The How2 experience was exciting and challenging. It was a great tool to help me become more diverse and interactive. I have learnt a great number of interesting things and met fascinating people. Thanks to the How2 experience ...Viva la experience..." – **Tashriek Fondling, Information Technology, North Campus**

"Starting first year can be very daunting, new faces, new environment, new ways of doing things. The How2 experience was very informative and saved me a lot of time in terms of knowing where to go to, who to go to and how to go about doing things ... Definitely worthwhile!" – **Darelle Yon, BPsych, South Campus**

"My How2 1st year experience was really wonderful. It is one of the days I will always remember– it has made a positive impact on my studies here in NMMU. I remember, I had no idea what we were going to do, in fact I had this pre-conceived thought that it would be one of those events where we would have to sit for a long time listening to what different speakers would have to say in orientating us. However, it turned out to be something totally unexpected. It was lively, I interacted with different people and everybody was friendly! I liked the technique, for lack of a better word, that was used to convey the information to us. I also remember how helpful the leaders of my group were." – **Abigail Ndlovu, Construction Management Economics, North Campus**

Unofficial guide to NMMU

On the go

Transport

BY PLANE

Airport: The Port Elizabeth airport is about a ten minute drive from the main campus. You can get to NMMU by cab or shuttle. There is no bus or mini-bus service from the airport.

Cab services:

Air Taxi: 082 211 3874, Beach Cab: 083 476 1079, Sisa: 076 426 0145, Hunter Cabs: 041 585 5500

Shuttle:

Van Rensburg Shuttle Services
041 583 4435 or 083 654 3242
Alternatively, enquire at the Info Centre at the airport.

BY BUS

Bus station: The main long distance bus services travelling to Port Elizabeth are Translux, Greyhound, Intercape and Roadlink. They all stop at or close to Greenacres Shopping Centre. You can travel from Greenacres to NMMU with Algoa Bus Service, the city's public bus service, or by cab or mini-bus taxi.

PUBLIC BUS SERVICE

Algoa Bus Service: 041 404 1200 or 080 142 1444 (free call for timetable information). A public bus service runs from Virgin Active (opposite Greenacres in Ring Road) to NMMU. The buses run daily, except Sundays, from 08:25 to 18:15 to NMMU, but more frequently in the morning. The name at the front of the bus will read NMMU or number 0. It costs R10,00 to travel from Greenacres to NMMU.

CAB

See telephone numbers under Airport information.

MINIBUS TAXI

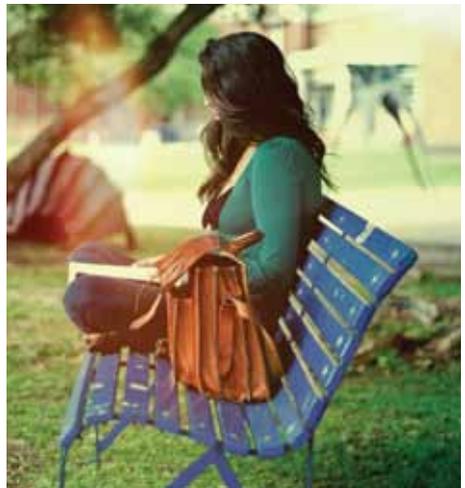

The minibus taxi services run from Greenacres (outside Mr Price), between 08:00 and 18:00. They will transport you to the city centre (Norwich terminal), where you transfer to a taxi that will take you to the university. Because of the change over, this service is not recommended for a first-time

visitor. It costs R6.00 to travel from Greenacres to the city centre, and a further R8,00 to travel from town to NMMU.

BY TRAIN

Train station: The Algoa Bus Service (see above), as well as the minibus taxi service runs from the Norwich Terminal across the road from the train station. Alternatively, you can take a cab. For cab numbers, see Airport information.

Please note: Like in any big city, travel after dark is not recommended. During the day, students are advised to take care of their belongings. If arriving by train, it is advisable to stay inside the station until your cab arrives.

Eating in, eating out

Feeding the inner man / woman is pretty important, so we've put together students' favourite food spots.

EATING IN

If you're stuck for time, and you need a quick bite to eat then head for:

- ▶ Madibaz Coffee Shop, Cassies and Flavas Halaal Cafe at South Campus next to the Kraal
- ▶ Vans Tuckshop at the taxi rank at South Campus
- ▶ Flavas Halaal Café & The Deli at the North Campus cafeteria
- ▶ 2nd Avenue cafeteria
- ▶ Missionvale Campus cafeteria in the Student Life Centre
- ▶ Fruit vendors who pop up in all sorts of spots in or near the various campuses

BUYING IN

NMMU's main campuses are within walking distance of two major retailers – Pick 'n Pay at Summerstrand Village, and Spar at the Mercado Centre in Admiralty Way.

FOOD ON THE MOVE

All the major fast food outlets can be found at various points in Nelson Mandela Bay, but there is a drive-through McDonald's in Beach Road, Summerstrand. There's also KFC & Barney's, located on the Shark Rock Pier. Great fish and chips are available from Fish Tales at Summerstrand Village. There are many other franchises such as KFC, Wimpy, Debonairs, and Steers located mainly in the Boardwalk or Summerstrand area.

Mr Delivery, KFC and Debonairs Pizza are well known for their delivery services, give them a try.

EATING OUT

If you just fancy something light, reasonable and close by, then try:

- ▶ Kaffeine Espresso Bar
- ▶ Roman's pizza
- ▶ Charlie's
- ▶ Nandos
- ▶ Steers
- ▶ Fish Tales
- ▶ Fish Aways
- ▶ For more restaurants, refer to "Food on the move" section

For bigger appetites at a reasonable cost, there's:

- ▶ The Boardwalk (has many restaurants)
- ▶ Blue Waters Café
- ▶ La Vela Cafe
- ▶ The Mediterranean
- ▶ Primi Piatti
- ▶ Ocean Basket
- ▶ John Dory's
- ▶ Spur

BOOZIN' AND CRUISIN'

And when your thirst and hunger need a boost, you might want to check out the following hotspots:

- ▶ Barney's Tavern
- ▶ Finnezz
- ▶ The College
- ▶ Coco de Mer
- ▶ Castro's
- ▶ Balizza
- ▶ Gondwana's
- ▶ Captains bar and grill
- ▶ The Godfather (Korsten)

Show me the money

Most campuses have automatic teller machines, but for those that don't, Summerstrand Village and Summerbreeze Spar are home to most ATMs.

Show me entertainment

Student life is not just about studying, eating and boozing...there are other forms of entertainment, namely:

- ▶ Boardwalk (Summerstrand): movies, ten pin bowling, go karts, putt putt, game arcade, casino, Lighthouse pool area, etc.
- ▶ Walmer Park Shopping Centre and Greenacres Shopping Centre have movie theatres and many restaurants
- ▶ Karaoke at the Boardwalk and Captains
- ▶ Bayworld and Museum in Marine Drive
- ▶ Seaview Lion and Game Park
- ▶ Opera House in Central has many theatre performances all year round
- ▶ Paintball entertainment in and around PE
- ▶ The PE beaches - loads of free fun in the sun

Show me the shops

- ▶ Walmer Park Shopping Centre
- ▶ Greenacres Shopping Centre
- ▶ Cleary Park Shopping Centre
- ▶ Pier 14 Shopping Centre
- ▶ Govan Mbeki Street has many shops that offer variety and affordability

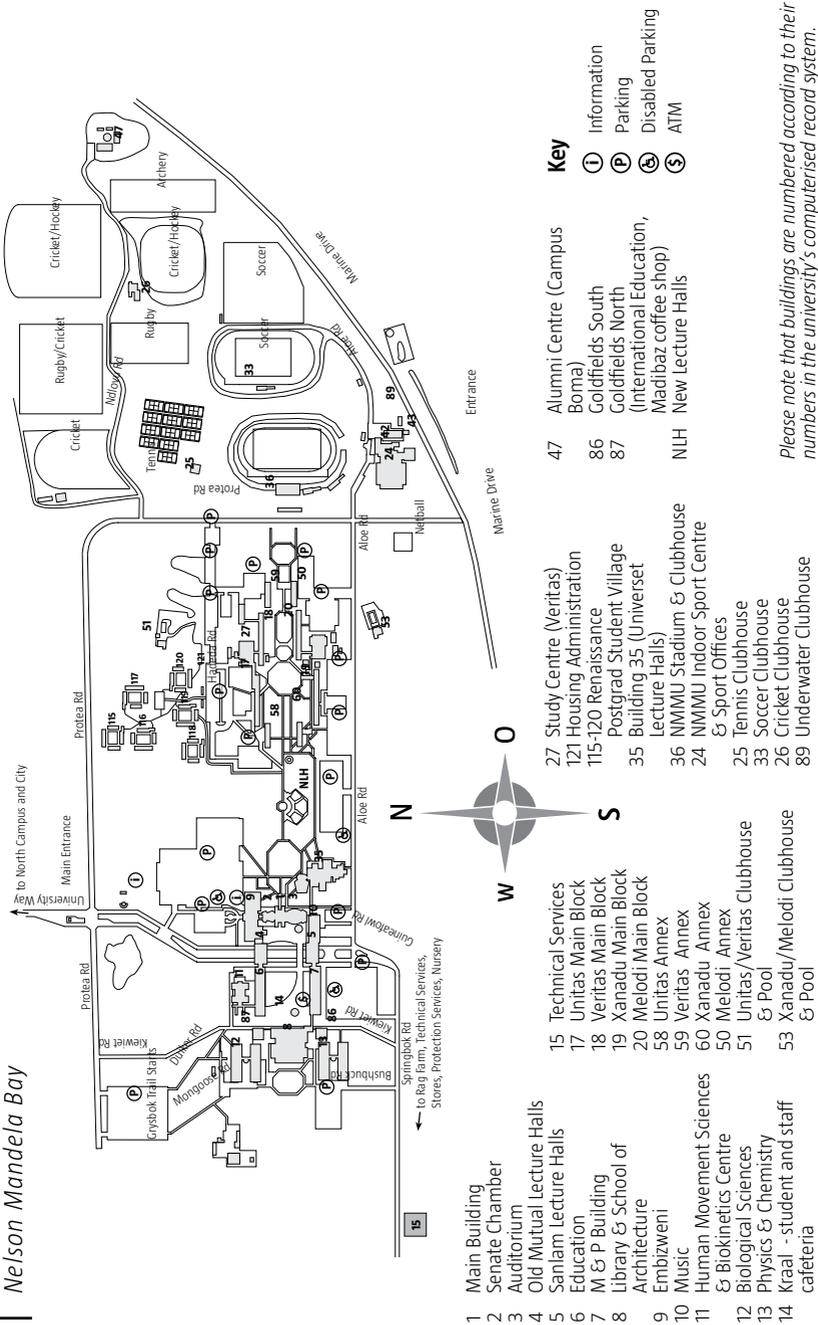

Show me the health care

- ▶ Bay Medical Centre (Summerstrand)
- ▶ Mercantile Hospital (Korsten)
- ▶ Greenacres Hospital (Greenacres)
- ▶ Provincial Hospital (Mount Croix)
- ▶ St Georges Life Hospital (St Georges Park)
- ▶ Livingstone Hospital (Korsten)
- ▶ Dora Nginza Hospital (Zwide)
